

Larry E. Daniel

Larry has seventeen years of experience in digital forensics, starting in the field in 2001.

Larry is co-author of the book, “Digital Forensics for Legal Professionals, Understanding digital evidence from the warrant to the courtroom” 2011, Syngress. Larry is the sole author of the book, “Cell Phone Location Evidence for Legal Professionals, Understanding cell phone location evidence from the warrant to the courtroom”, 2017, Academic Press.

Larry has qualified and testified as a computer forensic expert, a cellular phone forensics expert, a GPS forensics expert and a cellular technology expert over 60 times in state and federal courts.

Larry provides training via presentations and continuing legal education dozens of times each year, to attorneys, prosecutors, judges, and law enforcement, as well as presenting at such conferences as the Department of Defense Cyber Crime Conference, the Computer Enterprise and Investigations Conference, the American College of Forensic Examiners and the National Association of Criminal Defense Lawyers.

Larry holds ten certifications; three in computer forensics, three in cell phone forensics, one in GPS forensics and three in telecommunications.
